## LIFE Groups | Focus Studies

### COMPLETE LISTING

**LIFE GROUPS** are ongoing communities of 10 to 20 people studying God's Word and doing life together. They seek to love one another, involve themselves in community, focus on the Bible as a group, and engage the world with the gospel.

**FOCUS STUDIES** are usually 6-8 week studies centered around a specific topic or book of the Bible.

**WOMEN'S** groups are available for all ages and stages of life and meet both on and off campus on Sundays and through the week.

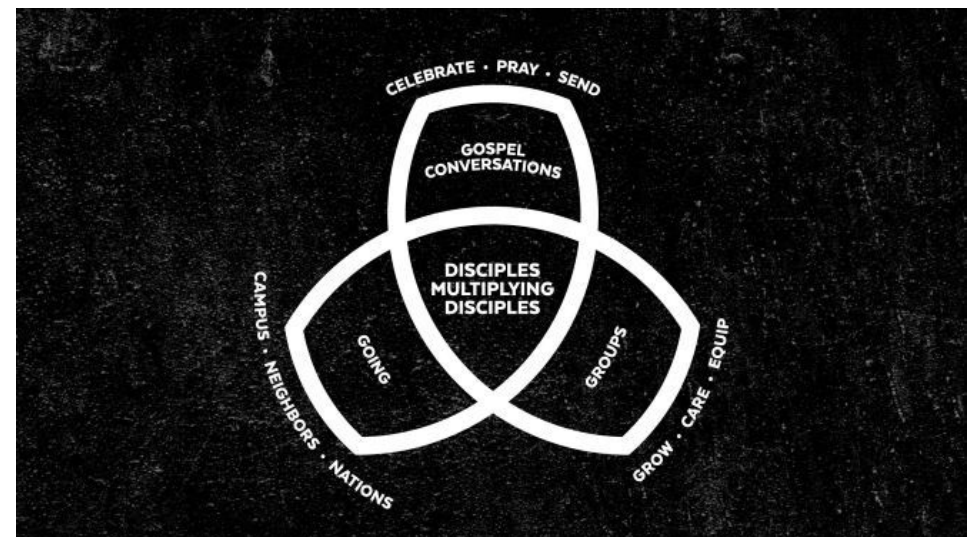

**MEN'S** groups are also available on and off campus. Many of these groups even gather at local restaurants, but all focus on studying God's Word together.
